

CSCI321 Trade Show Requirements

Project Description

Code (e.g. AA1): LM4Project Title: Prvr (LM4)

Each group has four power outlets available. You get a maximum of two SCIT (lab) supplied computers, and are allowed a maximum of two desktops overall. In the table below specify the details of the computers you would like from SCIT or will be bringing from elsewhere. You can bring additional laptops.

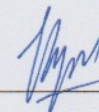

For networking specify UOW Wireless, AdHoc Wireless, cross over cable or none. No wired LAN is available this time. On the day of the trade show a guest (staff) account will be provided allowing all groups to get through the border authentication.

You only need

Computer type	OS	Networking?	Extra software Required	Lab ID or Own
Laptop	Windows	Nil	Nil	Own
Monitor	-	-	-	PC20
Laptop	Windows	Nil	Nil	Own
Monitor	-	-	-	PC18

Specify any special resources you require for the tradeshow here. By default you will be given one desk, two chairs and a poster board. Desk from FMD: 1800mm long, 760mm wide, 700mm high. Display board from FMD: 1800mm high, 1000mm wide.
